## **PERSONALIZED CONSULTING, COACHING AND PROFESSIONAL DEVELOPMENT SERVICES**

We offer personalized and expert guidance for administrators on long-term academic planning and strategic decision-making. We design customized faculty professional development sessions with an immersive learning experience that includes collaboration, reflection and resources teachers can use in the classroom.

### **OUR PROCESS:**

#### **INITIAL CONSULTATION:**

- A 30-minute call to discuss and assess your needs.

#### **CUSTOMIZED PD DESIGN:**

- We will create a hands-on and interactive workshop for you.

#### **IMMERSIVE PROFESSIONAL LEARNING:**

- Our workshop will provide practical experiences and resources.

### **OUR AREAS OF EXPERTISE:**

#### **CURRICULUM & INSTRUCTION**

- Identify and solve academic challenges
- Faculty development for success
- Data-driven improvement systems

#### **EDUCATIONAL TECHNOLOGY**

- AI protocols and best practices
- 1:1 programs and blended learning
- Makerspace design
- Innovative instructional fusion
